ACADEMIC ASSISTANCE

Teachers are in their classrooms Monday-Thursday until 2:30. Communicate with staff members to make arrangements for after school tutoring and assistance.

ACADEMIC INTEGRITY

Students of AJHS are expected to act with honesty and integrity when completing school assignments, projects, tests, or other work assigned by the teacher for a grade or credit. Cheating and/or plagiarism will not be tolerated and will result in disciplinary consequences including, but not limited to, a “zero” on assigned work.

Plagiarism: What Is It?

Plagiarism is using others' ideas and words without clearly acknowledging the source of that information or knowingly representing the words or ideas of another as your own.

To avoid plagiarizing, you must give proper citation under the following circumstances:

- use another person's opinion or theory
- use any facts, statistics, graphs, drawings – any pieces of information that are not common knowledge
- quoting another person's actual written words
- paraphrasing another person's spoken or written words with citations

Note: *Simply changing around a few words and phrases from the original, or changing the order of the original's sentences is still considered plagiarism.*

Cheating includes but is not limited to:

<ul style="list-style-type: none">● Obtaining or giving unfair advantage● Copying work● Photographing an assessment or any portion of it● Attempting to use unauthorized aids for self or others (cheat sheets etc)● Attempting to receive or give assistance during an assessment● Sharing homework, quizzes, or test content (questions and/or answers) with others	<ul style="list-style-type: none">● Misuse or unauthorized use of technology during an assessment● Fabrication/lying/misrepresentation/deceit● Aiding and abetting dishonesty● Falsification of records and official documents● Unauthorized access to academic/administrative records or systems
--	---

Consequences will include:

- Teacher conference with student
- Referral to grade-level administrator
 - **First offense:** “0” on the assignment/assessment, parent notification, discipline notation, all the student’s teachers notified
 - **Second offense:** 1-Day suspension, removal from Honors/AP class, and the same consequences for the first offense
 - **Third offense:** 3-Day suspension and the same consequences for the first offense
 - **Fourth offense:** 5-Day suspension and behavior contract
 - **Fifth offense:** 9-Day suspension and district due process hearing

ACADEMIC LETTER CRITERIA

This honor is awarded to students demonstrating academic excellence and a commitment to education throughout their high school career. Students meeting the following criteria will be awarded as follows:

Freshmen	4.0 cumulative GPA - Academic Letter
Sophomores	4.0 cumulative GPA - Academic Letter or Service Bar
Juniors	4.0 cumulative GPA - Academic Letter or Service Bar
Seniors	4.0 cumulative GPA - Academic Letter or Service Bar

Students will be awarded their Academic Letter or Service Bar during the spring Academic Awards Ceremony.

ATTENDANCE/TARDY PROCEDURES

Regular class attendance and punctuality are essential to success and are ultimately the responsibility of the student and his/her parent. The instruction that occurs in the classroom cannot be duplicated. Class information and participation are lost forever to the student who is absent. Students should only be absent from school when absolutely necessary.

Reporting Absences: If you are absent, your parent must contact the school to excuse your absence, ***call 480-474-3981***. In addition, written documentation excusing absences must be submitted to the attendance office. ***You will only be afforded 14 “excused” absences.*** Any absences after 14 will be considered “unexcused.” (Pursuant to A.R.S. 15-901(A)) All absences must be excused within 24 hours.

An **unexcused absence** will result in a zero for any work missed. You will receive an automated message those students who have not been excused by a parent or guardian. The calls will be made throughout the school day. It is important to notify the school immediately if there is any change of address or telephone number for notification purposes or in case of an emergency.

Students are expected to attend at least 90 percent of class time in order to receive credit. Withholding of grades or credit can/may occur if a student is absent (excused and unexcused) more than ten (10) days in a semester.

Attendance will be addressed as follows per semester:

Absences

1. 5th Unexcused Absence: ISS 1 Day + Attendance contract
2. 7th Unexcused Absence: ISS 1 Day + Attendance contract + Parent Notification
3. 10th Unexcused Absence: 1 Day Suspension + Attendance Contract Final update + Parent Notification + Parent Meeting (Possible Chronic Illness Form needed)
4. 14 Unexcused Absence: Audit Status until committee has reviewed reasons

Tardies

A student is considered tardy if they are late to class, entering after the final bell has rung. A student who is more than 10 minutes late may be considered absent. Students who have an unexcused tardy to class will not be entitled to make up bell work. Repeated tardies will earn discipline consequences and can affect the student's grade..

Administration will conduct attendance reviews with student and parent/guardian. Review may result in remaining in class, removal from class and loss of credit, and/or other action deemed appropriate.

The school nurse and administration will handle students with a chronic, long-term illness that exceeds the ten (10) day absence limit, and homebound instruction on an individual basis. Chronic illness forms are available in the nurse's office and must be submitted each school year by a parent/guardian with appropriate medical documentation. Failure to follow chronic illness procedures may result in loss of credit.

If the student arrives late for their scheduled school day they must check in at the front office. Students who are tardy due to a scheduled appointment (doctor, dentist, court) must provide documentation to the front office secretary in order to be sent to class with an excused tardy. One minute prior to the start of each class, a warning bell will ring to assist students in avoiding being tardy to class.

When students miss class, it is ultimately their responsibility to ensure any assignments or assessments given during their absence are completed upon their return. The following guidelines apply for completing missing work when absent.

- All makeup work must be completed within the same number of days the student was absent (a day for a day).
- Excused absences do not automatically extend deadlines for assignments or assessments scheduled prior to the absence. Students may speak with teachers about possible extensions.
- The student is responsible for initiating requests for make-up work.
- Students should check teacher websites and contact the teachers directly.
- Students may not be allowed to make up work for credit when an absence is unexcused.
- Students under suspension are allowed to make up assignments for credit. All makeup work must be completed within the same number of days the student was suspended (a day for a day).
- Students missing class for an approved school activity, such as a field trip or competition, will be considered excused.
- Missing/Incomplete assignments will not be graded after quarterly grades are posted.

CLASS STATUS/ENROLLMENT

Freshmen, sophomores, and juniors must carry a minimum of six classes. Seniors must carry a minimum of four consecutive classes.

CLOSED CAMPUS

Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, he/she will be subject to disciplinary action.

If a parent/student request an off campus pass or if a parent signs their student out, the student may return that day when the parent signs the student back into school at the front office or if they provide documentation of their appointment (medical, dental, etc.)

For security reasons, only those officially enrolled as students are permitted on campus during the school day. Parents/Guardians wishing to conduct official business must report first to the administrative office. Parents/Guardians request to observe classrooms must be made at least 24 hours in advance. All others may be deemed as trespassers and are subject to arrest (ARS Title 13).

SCHEDULE CHANGE REQUESTS

Students may apply for a change in classes by completing an online course change form. This online form must be submitted within the first ten (10) days of the semester. It is important to understand that after the first ten (10) days at the beginning of the semester, students cannot change to another class or drop a class. Schedule changes will not be permitted solely due to teacher preference. Acceptable reasons for schedule change request:

- Successful completion of course during summer school
- Missing a course required for graduation
- Having an incomplete schedule
- Missing a necessary prerequisite
- Failure in a course
- Medical reason (doctor/medical documentation required)

Please allow counselors 48 hours to address schedule change needs. Should difficulties arise with a particular class/teacher, students and/or parents are advised to meet with the teacher outside of class time to discuss the concern(s). If student/parent does not feel the concern has been remedied after talking with the teacher, please contact the appropriate assistant principal to request a formal conference.

CELL PHONE/ELECTRONIC DEVICES

Possession or use of personal electronic communication devices by students is permitted provided that:

- such devices do not disrupt the educational process or school activity.
- such devices are not used in the classroom unless otherwise directed to do so by the teacher.
- the devices are permitted by school administration and are used in accordance with school guidelines.

AJHS is not responsible for the loss of any of these devices. Parents may be required to retrieve the device at school if confiscated by a staff member. Students may not take unwanted pictures of other students or staff members with their cell phones or any other device as it is a violation of the privacy rights of individuals.

Students will face these consequences if the electronic device being used is a disruption to the educational environment:

- Step One: warning
- Step Two: device may be confiscated for the remainder of the class, and parents notified
- Step Three: device will be confiscated and delivered to grade-level administrator, parents notified, note made in discipline record
- Step Four/More: student assigned ISS or OSS, note made in the discipline record, parents contacted for pick up of device.

DANCES

The school and various student groups sponsor dances each year. All but two - the Junior/Senior Prom and NJROTC Military Ball are held on campus. Students must show their student ID cards to enter all school dances. All school rules apply to dances whether they are held on or off campus. No one may leave a dance and return later that evening. There will be no loitering at the doors or on the school grounds. A person who has not reached his/her 21st birthday may be invited as a guest with administrative approval. All guests must present a photo ID and a guest pass, signed by administration, to attend a dance. AJHS students may pick up guest pass forms from their assistant principal or bookstore manager.

Additional school dance rules are:

- AJHS students are responsible for their own behavior and demeanor as well as their guest's behavior and demeanor.
- Students must be mindful that they are at a school dance and not a nightclub. Their behavior, demeanor, and dress should reflect that. Any suggestive, inappropriate, or aggressive dancing may result in the student and his/her guest being asked to leave the dance. A refund will not be issued.

AJHS DRESS CODE POLICY (JICA-R)

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance except when their choices affect the educational program of the schools or the health and safety of others. The District encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health, and welfare of self and others.

- A. Only tailored shorts and skirts that are hemmed may be worn in grades kindergarten (K) through twelve (12).
- B. Bare midriffs, halter tops, and spaghetti straps are not acceptable past the third grade.
- C. Shoes must be worn at all times. Closed shoes must be worn for any type of physical activity.
- D. Jewelry which presents a safety hazard to self and/or others shall not be worn.
- E. Profane or defamatory writing on clothing or jewelry is not permitted.
- F. No bandanas of any color, size, or shape may be carried or displayed on campus. This also includes simulations of anything representing "colors."
- G. No hats may be worn in a classroom except for properly approved occupational safety headgear required for special classes.
- H. Gang-related personalization is not permitted on hats, on items of clothing, or on one's person.
- I. Obscene language or symbols, or symbols of drugs, sex, or alcohol on clothing are expressly prohibited.

EARLY FINAL EXAMS

AJHS does not offer early final exams. Students who do not take a final exam will receive a zero on the exam. In instances of illness, a student can arrange to receive an "I" (Incomplete) on his/her report card, and will have 10 days from the last day of the semester to take the exam and remove the "I". If the exam is not taken prior to the 10th day, the student will receive a zero for the exam, which will be factored into the semester grade.

EXTRACURRICULAR ACTIVITIES

Students are encouraged to participate in school sponsored athletics. To be eligible for participation in Arizona Interscholastic Association (AIA) sanctioned sports, students must complete and submit the necessary paperwork to the athletic office prior to trying out. All eligibility documents must be submitted via *Register My Athlete* (<https://registermyathlete.com/login/>). Team tryout information and necessary paperwork is available through the Athletic Department or online at <https://s3-us-west-2.amazonaws.com/sportshub2-uploads-prod/files/sites/83/2019/04/04201036/19-20-Athletic-Participation-Packet.pdf> and all students must pass a certified physical to be eligible to tryout. For more information, please see the Athletic Director, Dr. Goolsby, and/or the Athletic Administrative Assistant, Ms. Belinda Buhrig. Football begins July 29, 2019. The remaining Fall sports (cross country, golf, swimming, volleyball, cheer) will begin on August 12, 2019. Winter sports begin November 4, 2019 (boys & girls basketball, boys & girls soccer, wrestling and cheer). Spring sports begin February 10, 2020 (baseball, softball, boys & girls tennis, and boys & girls track/field).

HAZING

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. For purposes of this policy, a person as specified above shall be considered a "student" until graduation, transfer, promotion, or withdrawal from the District school.

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- A. The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an education institution.
- B. The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing.

In accord with statute, violations of this policy do not include either of the following:

- A. Customary athletic events, contests or competitions that are sponsored by an educational institution.
- B. Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program.

All students, teachers and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

Students and others may report hazing to any professional staff member

FIELD TRIPS

Teachers and student clubs may schedule field trips as part of their regular activities. Students are expected to follow all school rules in the AJUSD Code of Conduct and in this handbook while on field trips. Failure to follow school rules may result in disciplinary action. For overnight field trips, failure to follow school rules may result in the student being sent home immediately at the parent's expense. In addition, students who are wishing to attend a field trip must complete all required permission slips and/or required participation documentation noted in AJUSD Field Trip Procedure Manual five school days prior to the trip.

Administration reserves the right to deny/grant permission for a student to miss his or her class to attend a field trip in extenuating circumstances that include but are not limited to a project being due, excessive absenteeism, or poor academic performance. Students who do not meet the above criteria will not be allowed to attend a field trip.

GANG-RELATED BEHAVIORS

Apache Junction High School, in an effort to "enhance a safe, secure learning environment and to help foster an attitude of respect for the rights of others," will not tolerate gangs or gang-related behavior. Apache Junction High School feels the presence of any gang or gang activities can cause a substantial disruption to the education process. Therefore, the policy prohibits not only gang membership, but also any gang-related involvement or activities on campus at any time.

GRADUATION

Commencement exercises will be held for students who have met state and local requirements for graduation from high school. Participation in high school commencement is encouraged, but is not compulsory. However, since the exercise requires planning and rehearsals, the following rules apply (I-7450):

- Students may not participate in graduation unless they have successfully completed the academic requirements for graduation.
- All student fees must be paid in full to participate in graduation.
- Students who wish to participate must be present at the rehearsal. Failure to do so may result in the student being excluded from the graduation ceremony.

HEALTH SERVICES

In the event of an accident or illness, students should report to the school nurse who is located in the administration building. Except for emergencies, students should always report to the classroom teacher and obtain a pass prior to visiting the health/nurse's office. If a student needs to take medications (prescription or over-the-counter) at school, the medications must be given to the school nurse by the parent/guardian so the nurse can administer the medication later in the day. If a prescription medication is to be dispensed, signed permission of the parent/guardian must be given to the school nurse. All medication must be in an original prescription bottle with the student's name, the name of the medication, and full directions for giving the medication. If it is not a prescription medication, it must be provided in the original bottle along with signed permission from the parent/guardian. If ill, do not leave campus without checking out through the nurse's office.

CHRONIC HEALTH CONDITIONS (JHD)

The District will provide appropriate educational opportunities for any student identified by an appropriately certified health professional in the fields of podiatry, chiropractic, medicine, naturopathic medicine, osteopathy, physician assistant, or registered nurse practitioner as having a chronic health condition requiring management on a long-term basis that will affect regular school attendance. Homework will be made available in a timely manner to ensure that such students have the opportunity to successfully complete assignments and avoid losing credit because of their absence from school. The assigned teacher(s) shall have the responsibility to provide, in a timely manner, homework for students designated as having chronic health conditions.

IDENTIFICATION CARDS

Students will be required to show their student ID when requested to do so by a staff member. Student IDs are required to attend school dances, school activities, athletic events, check out library materials, receive counseling/administrative services, and to leave campus. Student IDs can be obtained on picture day. Any lost or replacement IDs can be obtained in the Bookstore located in the front office for a \$5 fee.

OUTSIDE FOOD AND DRINK

No outside food or drink will be allowed on campus except for water. Administration has the right to inspect any container. Packed lunches are permitted. Outside food deliveries such as UBEREats, Doordash, and pizza deliveries are not permitted.

CLUBS / ORGANIZATIONS

Club is defined for purposes of this policy and procedure. A club is a group of district students, with one (1) or more staff sponsors, voluntarily organized for a common purpose, such as Mathematics Club, Nature Club, etc. It does not include elective subjects during regular class time. The student council is not a club. Activities of clubs are important. It is recognized that what a club does is of paramount importance. The activity must be such as to bring credit on the school, the community, and the students.
(JJA)

The following steps must be completed when forming a new club or organization:

- Adhere to policies and procedures of the Apache Junction High School Activity Manual.
- Have at least one adult sponsor/advisor that is a certified staff member .
- All members must be enrolled and/or reside in Apache Junction School District.
- Club meetings and activities are voluntary and student initiated.
- Non-school persons do not direct, conduct, control, or regularly attend meetings.
- Meetings do not materially and substantially interfere with the orderly conduct of school.
- Club must have a minimum of 10 members before a Charter can be issued.
- Recognized by student council.
- Completion of Application for NEW charter or Application of Re-Charter.
- Give a list of members and officers to the Activities Administrator and Student Council.
 - Officers must include but are not limited to:
 - President
 - Vice President
 - Treasurer
 - Secretary
 - House of Representative Member
- Have a Constitution including:
 - Purpose of the Club
 - Organizational structure
 - Be chartered by the Governing Board
- No club activities may be held until approval from administration

PARKING & DRIVING ON CAMPUS

Student parking on AJHS campus is a privilege, not a right. Students must show an Arizona Driver's License, register all vehicles driven on campus, and obtain a \$50 parking sticker from the bookstore. Student vehicles without a valid student parking sticker are not allowed on campus. Students parking in unauthorized areas will be subject to having their car "booted" and parking privileges removed. (Please see Appendix.) Student vehicles are not to be used during the school day. Cars may not drive on sidewalks, playing fields, or any areas except paved driveways and parking areas. Parking is at your own risk. The school assumes no liability for vehicle damage, theft, or loss of property while driving or parking on campus. Speed limit on campus is not to exceed 10 mph. Students who violate parking or traffic rules will be subject to disciplinary action and loss of vehicle privileges. Bicycles are subject to the same traffic rules as cars and may not be ridden on campus per school and city ordinance. Bicycles must be parked/locked at the bike racks located south of the administrative building. Skateboards may not be used on campus at any time per school and city ordinance. Skateboards must be checked into their community building.

PERSONAL PROPERTY/LOST & FOUND

AJHS and AJUSD cannot be held responsible or liable for loss or damage to a student's personal property or possessions while at school. Vehicles, bicycles, electronic devices, clothing items, books, and supplies are the sole responsibility of the owner and neither the school nor the district accepts any responsibility

for the repair, replacement, or loss of use of any item of your property. A student must exercise care and caution with their personal belongings. It is recommended that they not bring valuable items, expensive jewelry, or significant amounts of cash to school. The school maintains a “lost and found” area in the administrative office. The school is not responsible for notifying students of items found. All unclaimed items will be donated to a charitable organization at the end of each semester.

POLICIES ON NON-DISCRIMINATION & SEXUAL HARASSMENT

AJHS aggressively investigates any reports of discrimination, harassment, or sexual harassment. Students and staff are protected from discrimination on the basis of race, color, national origin, sex, handicap or age by District policy and state and federal laws. Students and staff are also protected from sexual harassment, such as unwelcome sexual advances, verbal comments, or physical contact by other students or staff. If you believe you have been the victim of discrimination, harassment, or sexual harassment, you should inform a school employee whom you trust and ask that person to take action according to District policies.

STUDENT VIOLENCE / HARASSMENT /INTIMIDATION / BULLYING (JICK)

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society.

The District, in partnership with parents, guardians, and students, shall establish and maintain a school environment based on these beliefs. The District shall identify and implement age-appropriate programs designed to instill in students the values of positive interpersonal relationships, mutual respect, and appropriate conflict resolution.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment or intimidation as defined by this policy will not be tolerated.

Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that

- A. has the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or damage to property,
- B. is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm,
- C. occurs when there is a real or perceived imbalance of power or strength, or
- D. may constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to

- A. verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying,

- B. exposure to social exclusion or ostracism,
- C. physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting, and
- D. damage to or theft of personal property.

Cyberbullying is, but not limited to, any act of bullying committed by the use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications, on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual orientation, cultural background, economic status, size or personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

Intimidation is intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists.

Disciplinary action may result for bullying which occurs outside of the school and the school day when such bullying results in a substantial physical, mental, or emotional negative effect on the victim while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

A student who is experiencing bullying, or believes another student is experiencing bullying, is to report the situation to the principal or another school employee. A school employee who becomes aware of or suspects a student is being bullied shall immediately notify the school administrator. School personnel shall maintain confidentiality of the reported information.

TEXTBOOKS/LIBRARY BOOKS

Textbooks and library books are provided to students at no cost and are the property of Apache Junction High School. Students are responsible for the proper care and treatment of school books, and they must be returned to the library or course instructor in the same condition in which they were received with normal wear and tear excepted. Students and/or their parents will be charged replacement costs for any textbooks or library books not returned or returned in damaged condition.

WITHDRAWAL FROM SCHOOL

In order for a student to withdraw from Apache Junction High School, he/she must return all books, district assigned Chromebook and accessories, uniforms and pay all outstanding fees. A parent or guardian must meet with the registrar to sign official withdrawal forms and provide a reason for the withdrawal.

APACHE JUNCTION HIGH SCHOOL CODE OF CONDUCT

The following chart shows the minimum and maximum range of disciplinary action that will be taken for each behavior. These statements are guidelines only and do not limit the judgment of the administrator who must assess the situation and the student’s behavioral history. School rules apply when a student is attending school, on school grounds, at school-sponsored events, traveling to or from school (including bus stops), and on any district property.

Due Process: Students are always given the opportunity to discuss disciplinary problems with an administrator and to present information that may help to explain the problem. In cases of suspension for more than nine days, students will have the opportunity for a due process hearing with the district hearing officer to discuss the disciplinary referral.

CHROMEBOOK TECHNICAL SUPPORT

Students are strongly encouraged to purchase Chromebook insurance to cover accidental damage. The cost of the insurance policy is \$25 per year and needs to be paid within the first 10 days of school. The insurance plan will have a deductible for each repair of the Chromebook itself that is not covered by the manufacturer’s warranty:

Premium	\$25
Deductible Claim (first two claims)	\$25
Deductible Claim (claims three and four)	\$50
Deductible Claim after 4 Claims	\$100
Removal of Stickers	\$5
Charger	\$30
Bag	\$35
Stolen/lost Chromebook with insurance	\$100
Stolen/lost Chromebook without insurance	\$250

TECHNICAL SUPPORT PROCEDURES

All AJUSD Technical Support Personnel are certified by Samsung to work on Chromebooks, without this certification any individual attempting to repair or disassemble a Chromebook will void the manufacturer’s warranty. At no time are students, parents/guardians, or other staff at AJUSD permitted to do any repairs on AJUSD Chromebooks.

- Students should always report any issue with their Chromebooks to Technical Support within 24 hours (or the next school day), failure to report an issue could lead to Multiple Claims or Claim not being covered.
- Student checks with current teacher (if applicable) and asks to be sent to AJHS Tech to help resolve the problem.
- The teacher will decide if the student will be released from class to go to AJHS Tech or if the student needs to report to Technical Support outside of class time.
- AJHS Tech staff will analyze the issue with the Chromebook and if possible, fix it immediately. If the task to fix the machine will take more than 5 minutes, the student will be issued a loaner Chromebook to use until their Chromebook is fully operational.
- AJHS Tech whenever possible shows the student what is wrong and informs them what parts will be replaced prior to doing so. This is not always possible if an internal component is damaged or if something else is discovered damaged while disassembling the machine.
- AJHS Tech will contact the student via email letting them know what parts (if any) were replaced and at what cost, and they will be asked to come and pick up their Chromebook.
- Repair cost are then logged.
- Emails are sent out to students and parents weekly to let them know how much is owed for the repairs of the Chromebook.
- Physical letters are mailed quarterly to notify parents of any outstanding Chromebook fees.

10. CHROMEBOOK FAQ'S

What is AJUSD 1:1 Program?

AJUSD 1:1 is an initiative to bring 21st century tools into the hands of our students to give them the skills they need for year thirteen and beyond.

What if my child already has their own computer? Can they bring their own from home?

No, AJUSD will not support any personally owned computers on our network. There are many reasons for this such as virus protection and online/internet content filtering. In addition, with the District owned Chromebooks, we are ensuring that each student has the same tools and resources to complete school assignments.

What will it cost parents?

The yearly insurance cost will be \$25.00. AJUSD has payment plans if needed. No refunds will be issued after the second week of policy issue date.

What is AJUSD Chromebook Self Insurance?

This is an insurance policy purchased and paid for by the student to cover any damage to the Chromebook. The policy is in effect on a yearly basis.

Will my child be able to take the Chromebook home on weekends, breaks, and during the summer?

Students will be able to take home on weekends. AJUSD may collect Chromebooks for the Winter Break and will collect Chromebooks at the end of each school year.

Will my child have the same Chromebook each year?

Students will keep the same Chromebook throughout their time at AJHS as long as they are enrolled in the Apache Junction Unified School District.

Can we connect the Chromebook to our own internet connection at home?

Yes, you may connect the Chromebook to your internet connection. You may need to purchase additional equipment and do additional configuration which will be your responsibility, i.e. wireless router.

How will my child be protected while online?

Every Chromebook has had restrictive software installed in order to protect students while using online tools. Parents are expected to help monitor their child's activities and reinforce the appropriate behaviors and procedures.

What if my child's Chromebook needs to be repaired? What will be used in class?

The students will be issued a "loaner" Chromebook to use while their Chromebook is being repaired. Once their Chromebook is repaired, the student will return the "loaner" and continue using their original Chromebook.

If the Chromebook needs repair, can we take to our own computer repair store?

Absolutely not. Please bring to the AJHS Tech on campus.

Will my child be assigned a carrying case for the Chromebook?

Yes, AJUSD will provide every student with a padded carrying case.

**Apache Junction Unified School District
Self-Insurance Policy**

Apache Junction School District is self-insured; so please help us keep premiums and deductibles low by taking very good care of the Chromebook. The provisions in this policy restrict coverage. Please read this policy to understand your family's rights and responsibilities and what is covered.

A. Costs

1. Yearly premium of \$25. This premium is good for one school year. Claim deductibles apply in any case regardless of whether the insurance premium is charged or not.
2. If there is a claim for insurance coverage, there is a standard per-breakage deductible of \$25 for the first two claims.
3. Students, who have insurance claims on their Chromebook more than two times during a school year, for their regular, loaner, or replacement Chromebook, will face higher per-breakage deductibles. The deductible for the third insurance claim, and any claims thereafter, will be \$50 per claim.
4. The school administration has the final say in determining insurance and repair situations.
5. After the second week of school, no refunds will be issued.
6. Insurance premium is due 10 school days following student enrollment date.

B. Covered Equipment

1. The insurance provided applies to any Chromebook issued to your child by the Apache Junction Unified School District, whether it is the originally issued Chromebook, a loaner, or a replacement.
2. The deductible is the same, whether the machine is the original, a loaner, or a replacement Chromebook.
3. There will not be an additional premium for the use of a Chromebook loaner. Your child's yearly \$25 premium covers their original Chromebook and any other Chromebook issued to your child for the current school year.
4. Chargers: Chromebook chargers that are damaged or broken are not included in the insurance coverage and will be replaced at a cost of \$40 for each occurrence. If a charger tip breaks off inside the Chromebook and cannot be removed, there will be a \$40 replacement charger fee as well as the deductible fee, if applicable.

C. Exclusions

Apache Junction Unified School District will not pay for loss or damage caused by or resulting from the following:

1. Not informing the Technology Department immediately of damage to the device may void the insurance coverage for that incident. Examples being: damage from a liquid spill, dropping of the device that may expose internal parts.
2. Damage caused by your failure to provide adequate protection for the device. An example would be placing the device in a non-approved carrying case and/or no protective case in use.
3. Loss caused by inappropriate electrical use by using an inappropriate charger.
4. Dishonest, fraudulent, or criminal acts.
5. Theft not accompanied by a police report.

D. Claim Procedures

1. Go directly to your school’s technology room.
2. The Technology Department will examine the Chromebooks determine if there is a qualified insurance.
3. If there is a claim, the computer technician will fill out the appropriate paperwork and inform the office staff. You will receive a telephone call, letter, and/or email from office staff when a claim is filed on your child’s Chromebook.
4. Once the claim is in process, a loaner will be issued to the student.
5. In cases of theft or disappearance, a copy of a police report must accompany the student before a loaner Chromebook is issued. The police report must also directly mention the theft of the Chromebook and the circumstances surrounding the theft. The cost to replace a stolen Chromebook is on the following tables:

Premium	\$25

Deductible Claim after 4 Claims	\$100
