**D. School Updates**

**Dr. Lineberry**

Excited for students to be back in person, masks will be required for everyone. AJHS has lost over 100 students since January. Dr. Lineberry believes decisions for how to handle the pandemic were appropriate in order to protect students and staff the best. Spring sports started today; still trying to finalize how many people to let in as spectators. Prom is being planned for April 16th, security will be provided and masks will be required. AJHS is planning to move forward with in person graduation. A survey was sent for coming back to in person school,  $\frac{2}{3}$  have responded. Fine arts are coming back to in person as well as sports; drama, choir, band, ect. Covid waivers must be signed to come back to in person school. The Governor of Arizona announced they will not provide schools with letter grades this year.

**D. Financial Report**

**Kathy Allyn**

The current balance is \$15,564, there are two financial request today:

- a. Student council requested \$850.00 for prom decorations and small desserts. Mae Stothart motioned, Anja Schoenberger seconded, request passed.
- b. Second request was for the AJHS nurses office to replace the water fountain with a water bottle filling station. Costs \$1,044; facilities will instal it for no extra money. Kathy Allyn motioned, Meghan Ross seconded, request passed.

**E. Booster Club Update**

**Mae Stothart**

The weekend of the 13th and 14th the boosters will be moving food and supplies into the baseball and softball concessions stand. The Booster club is currently filing their taxes for

this year. Boosters will sell food following certain guidelines based around COVID precautions.

**F. School Updates Classified**

**Kathy Allyn**

- a. All staff are back in the office this week, supporting tech for the district (time consuming) Everyone is required to wear a mask in the front office, and the staff hopes the public will respect mask and COVID policies. The front office will soon have a kiosk outside the front doors that will sign people in and out to keep track of who is on campus. The staff is having an appreciation lunch for the team that has been there for the entirety of last year.

**G. School Updates Certified**

**Brenda Willis**

- a. All teachers are very excited to be back, planning many hands on activities for students to participate in.

**H. Community Member**

**Danielle Anforth**

- a. A follow up about the CAC Promise For The Future that might have been ended but it was confirmed that it is still in place. Excited for kids to be back in person because kids need to have the in person aspect of school.

**I. Student Council**

**Rylee Anforth**

- a. We just finished our virtual talent show, it went smoothly. We would have hoped to have more participants but it is hard because most kids don't want to do anything else online. We are in the process of planning prom for April 16th, the theme is Enchanted Forest. The venue requires masks and will provide hand sanitizing stations. It consists of a ballroom with multiple patios so there will be plenty of room. Student Council is super excited to get back to school and hoping to plan events in person with the whole school.

**J. Parent/Guardian**

**Megan Ross/Anja Schoenberger**

- a. Will teachers and staff be taking temperatures and having extra masks available? Answer was yes. Nothing else to add that wasn't discussed during the school updates.

**K. Call to the Public: There were no members of the public who wished to present.**

**L. Meeting adjourned at 6:49pm.**

- a. Motioned by Isabelle Yakel and seconded by Megan Ross
- b. Next meeting will be on April 5th, 2021
