

## **Connecting to your home network**

You can connect to your home or private network. Follow the steps listed below to do so.

1. First, turn on your Chromebook until you come to the login screen:
2. Click on the Network Connection icon on the bottom right corner of the screen:
3. A menu similar to the one below will appear next, click on the network icon:
4. Now, choose your home network:
5. Click on your home network and enter the password.
6. You can now log into your Chromebook with your @goaj.org email address and password.
