The Apache Junction Unified School District will move to online learning five days a week beginning Monday, Nov. 30 through Monday, Jan. 18.

The decision was made by a 5-0 vote at Monday's emergency Governing Board meeting. Two COVID-19 benchmarks in Apache Junction have turned red, with 233.9 confirmed cases of 100,000 and a 10.6 percent positivity rate.

Classes will run from 9 a.m. to 2 p.m. each day. Special Education students will be provided services through teletherapy and/or in person therapy based on their individual learning plans. Learning labs will be established and information sent to parents.

The AJUSD Governing Board will meet Jan. 12 to analyze the COVID-19 benchmarks and determine whether a return to in-person learning or a Hybrid model is warranted.

AJUSD empowers students by providing them with the knowledge, skills and ingenuity to pursue their dreams and make a positive difference in the world.
