## PARENT DROP OFF, PICK-UP, AND BUS RIDER REMINDERS

\*When dropping off your student in the morning, please be sure to pull up so we may unload many students at one time and the line does not get backed up.

\*When picking up your child after school, be sure to have your yellow card with you. If you do not, we will kindly ask you to go to the office to show identification.

\*If your method of after school transportation changes, please contact the office no later than 2:30 p.m. to make the change. We will NOT take the word of a student as the change....only the parent or guardian.

\*When riding the bus, remind your child that all rules must be followed just as they are on the school campus for the safety of everyone.
