

How will the override impact Cactus Canyon Junior High School students?

Apache Junction Unified School District is requesting a \$2 million capital override, Prop 433, to fund capital needs that are specifically focused on curriculum adoptions such as Grades 7-12 Mathematics (last adopted 2000), Grades 7-12 English Language Arts (last adopted 2000), Grades 7-12 Social Studies (last adopted 2003), and Grades K-12 Science (last adopted 2005).

Funding will also be used for:

- Library books
- Science, Technology Engineering and Mathematics (STEM) materials
- STEM Labs (MakerSpace, Virtual Reality Lab etc.)
- Fine Arts (band, orchestra, drama materials and equipment)
- Athletic equipment (bats, balls, uniforms)
- Extra-curricular activities (clubs etc.)

Cactus Canyon Junior High School

801 West Southern Avenue
Apache Junction, AZ 85120

The use of bonds and overrides provide schools with additional monies to fund public education. Apache Junction Unified School District is asking for voter approval for a bond and capital override election Nov. 5, 2019. If approved, the bond and capital override monies would be used at Cactus Canyon Junior High School for the following projects and improvements.
